

Stamford Chamber of Commerce Request for Advocacy

The Executive Committee of the Stamford Chamber of Commerce shall identify issues of importance to the business community as well as develop and advance advocacy positions for recommendation to the Board. One way issues are identified, which impact the business community, is through input provided by our Stamford membership.

If you are a Stamford Chamber member in good standing, have identified an issue, proposed a project or ordinance, which could impact the business community, you may complete and return this form to the Stamford Chamber of Commerce.

1) Please provide a detailed explanation/presentation of the issue or proposed project and the timeline for which the Chamber is expected to take action.

2) What is the purpose of the proposed action, how does the issue affect the business community, and who will be impacted?

3) What action or position are you requesting the Stamford Chamber to take on the issue? State the recommended method of advocacy to influence the desired outcome (Letter written on your behalf and or attendance at public meetings).
